REVIEW OF INFORMATION GOING BACK TO AREAS

- M2025-11-01: For ARSCNA to purchase liability insurance with coverage up to \$1,000,00.00 from Berryhill Insurance Group, quoted at \$3020. Due to quote age (30+ days), please approve amount not to exceed \$3500. Policy to cover all AR Region groups and meeting locations; certificates to cover events available upon request at no additional charge. Insurance will cover events in close proximity to Arkansas.
 - INTENT: More and more, meeting locations are requiring groups to obtain liability insurance. In accordance with the 11th Concept which states: "NA funds are to be used to further our primary purpose, and must be managed responsibly.", a regional policy allows ARSCNA to meet this growing need in a cost-effective way, reducing the financial burden on groups so they can better focus on carrying the message.
 - Policy Change Information: Will add a budget line item. Will be added to definition of ARSCNA. Will be added to Treasurer's duties.
 - Additional Context: Several groups are already required to provide coverage with policies ranging from \$300 600/year. Other groups have mentioned looking for a new location and finding that they will be required to provide coverage.

 - Expand awareness and accessibility of NA services in rural areas.
 - Increase awareness and accessibility in marginalized communities, especially by identifying who may be missing from our fellowship.
 - Strengthening mentorship opportunities and tools that improve consistency in service delivery and help identify members in need of mentorship.
 - Build recognition of the US Collaboration as a trusted resource that members know about and reach out to for mentorship.
- To support these goals, we developed a fellowship-wide survey (Survey Deadline: March 8, 2025): <https://www.surveymonkey.com/r/JDBYMWK> (see flyer)

SUBCOMITTEE REPORTS

ACTIVITIES REPORT

Overall Summary of Activities:

The CAASCNA Activities Subcommittee was able to successfully execute the three (3) functions listed within the Area Guidelines: 1) A Cajun themed event (Recovery Rendezvous at Recovery Central on March 29, 2025); 2) the Heber Springs Campvention (Joy is the in the Journey, May 9-11, 2025); and 3) the Ozark Mountain High Campout (October 3-5, 2025). There was very little member participation in monthly subcommittee meetings, despite adding a virtual attendance option. Further, the subcommittee saw decreased participation, support, and attendance at this year's events, especially at the Recovery Rendezvous and Joy is in the Journey.

Accomplishments:

I created a Google Drive and added all Activities documents that were available to me during my term of service to the Drive. I also created an email account for Activities Committee: caractivitiesna@gmail.com. The password will be provided to the Administrative Committee and incoming Chairperson.

Specific Areas of Concern:

1. Subcommittee Membership/Participation: The subcommittee is waning. While we had hoped to have the opportunity to hold elections for trusted servants, the subcommittee meeting attendance/participation was not sufficient to do so. We added a Zoom option at the beginning of my term in hopes of attracting more subcommittee membership and participation. Unfortunately, the virtual option had little impact on attendance, with most monthly meetings seeing attendance numbers of 2-3 members.
 - A. Planning activities and events for large scale attendance is a tremendous feat and requires the participation of members to ensure the Activities subcommittee is fulfilling its purposes stated in the guidelines, including 1) to reach the suffering addict by holding activities that are attractive to the newcomer; and 2) raise funds for Area needs.
 - B. Executing activities and events for large scale attendance is incredibly difficult with our average 2-3

actively participating subcommittee members. We were fortunate to have several fellowship members provide assistance with loading/hauling/setting up for the campouts.

2. Activity/Event Participation/Attendance: Activity and event participation and attendance is also waning. We believe that our primary purpose was fulfilled at each function held this year, attendance was incredibly low at both the Recovery Rendezvous event and the Joy is in the Journey Campvention. At Joy is in the Journey, we had an entire campground reserved for the weekend and only TWO people spent the night at the campground.

We received occasional complaints of events conflicting with other events planned for the same weekend. This is not unique to our area, nor is it necessarily a problem. One perspective is that we are fortunate to have multiple choices of CLEAN events to attend on any given day.

Some questions to consider: Are we supporting our area events? Are our groups or subcommittees scheduling functions that are in conflict with other events being hosted in our area? Are we working with our other subcommittees and/or groups when scheduling/planning functions? Are we being good stewards of NA funds and resources when the cost of holding events far exceeds the benefit?

3. CAASCNA 5/2025 Guidelines Update Language: The updated language regarding the turnover of Activities subcommittee funds is confusing. The update states, "The Activities Committee, with the exception of profits from the Heber Springs Campvention and the Petit Jean Campout will retain all net profits. The committee shall turnover 75% of profits from the Heber Springs Campvention to the Area. After the Petit Jean campout, the committee shall pay next year's campground fee for the Heber Springs Campvention, then turnover all monies exceeding the prudent reserve of \$800 to the Area. This will allow the Activities Committee to start off the New Year and maintain the year being financially stable."

How does the committee retain all net profits except those from the Heber Springs Campvention and the Petit Jean Campout, if it turns over all funds above prudent reserve to Area following Ozark Mountain High?

I will say from an operations perspective, the Activities Committee will absolutely NOT start off the New Year nor maintain the year being financially stable if turning over all funds above prudent reserve. Adding the committee will not have the funds to hold the Cajun themed event following the updated guidelines as published.

Potential Solutions:

In researching Narcotics Anonymous Area Activities Subcommittees in many other areas across the nation and world, and discussing this matter with other members around the country, I would like to offer some items for consideration by the groups:

1. Circulate a CAASCNA Activities/Service Study Survey to individual members and/or groups. I have created and attached a draft template for the survey. Please feel free to circulate or amend, as desired, and circulate to individual members/groups in Central Arkansas Area to get some feedback on the types of activities and events our members would like the Subcommittee to host.
2. Dissolve the Activities Subcommittee completely and transfer the responsibilities to the Area Convention Subcommittee. The Area Guidelines task the Convention Subcommittee with ONE function – the annual Area Convention. However, due to escalating costs, the Convention Subcommittee holds multiple functions throughout the year to raise necessary additional funds. The Activities Subcommittee events could be hosted by the Convention Subcommittee, and the funds could be used to pay convention expenses. The Convention Subcommittee has a much higher participation level, as well as greater event attendance, which would result in a win-win scenario for the Area as a whole.
3. Amend the Area Guidelines to remove events/activities responsibilities from all other subcommittees and

expand the duties of the Central Arkansas Area Activities Subcommittee to include assisting with group events and hosting functions for the other Area subcommittees. I have drafted a template for an informational trifold flier that could be distributed to members, groups, and other service bodies in the Central Arkansas Area.

One suggestion for the amended purpose could be: “The purpose of the Central Arkansas Area Activities Subcommittee is to help build and strengthen relationships outside of regular meetings. By practicing unity, we come together to host events that promote fun and entertainment while practicing social skills, an essential part of every member’s recovery, especially the newcomer. This creates an opportunity for our family members to get involved with our community and feel connected with the fellowship.” Then prepare an informational trifold flier for distribution to members, groups, and other service bodies in the Central Arkansas Area.

Closing:

****Quick Announcement**** Ozark Mountain High – the t-shirt pressure gauge was off, which will result in the design bubbling when machine washed. They reprinted the entire order free of charge, and I will have new t-shirts for everyone who purchased event t-shirts this week.

While this has been a challenging commitment, it has certainly been a privilege and an honor to serve the Central Arkansas Area as the Activities Subcommittee Chairperson for the past year. When I accepted a new job last year, just as I was elected to this position, I was painfully unaware of the time constraints my new job would place on me. I want to be sure and recognize our very small, but MIGHTY, subcommittee. I want to thank the folks who consistently showed up and helped ensure that our events were attractive to the newcomer and that the Narcotics Anonymous message was carried regardless of our event attendance. I feel fortunate to have been able to serve alongside such a wonderful and committed group of NA members. Thank you for trusting me to be of service to the fellowship that continues to save my life each and every day. I am eternally grateful for the opportunity to give back.

In loving service, Cassandra C.

Activities Treasury Report:

Hey family, we had our Ozark Mountain High campout last month. It was a great experience! Thanks to everyone that came out to support our Area. I have been out of town and didn’t receive the t-shirt invoice until after I had already left, so it will be January’s Area meeting before I am able to provide a detailed event report and know how much, if any, turnover we have. The Area Treasurer and I will also be getting together soon for our yearly audit, and I will be removing myself from the bank account. Thank you for entrusting in me all these years! It’s been an honor and privilege to be a trusted servant for our wonderful area.

Jennifer B.

CONVENTION COMMITTEE

Greetings from the convention committee, CAACNA XXXVIII will be held August 7–9, 2026, at the Delta Hotels Little Rock West. More information on the outcome of this event will be shared at the next Area meeting. So far, we have selected our workshop topics, confirmed this year’s vendor for the convention, and finalized the t-shirt designs. In upcoming committee meetings, we will begin planning our Super Bowl party fundraiser. We are currently seeking individuals to serve as the Friday night and Saturday night main speakers, as well as facilitators for the workshop topics. If you have anyone in mind, please let me know—we welcome all suggestions. As of now, our bank account balance is \$5,440.00. We are looking forward to another successful convention filled with unity, service, and the message of recovery. In gratitude and service, Aaron M. CAACNA XXXVIII Chair
